

National Certification Programme for Cardiac Rehabilitation (NCP_CR) 2022

Data from the National Audit of Cardiac Rehabilitation (NACR) is used to quality assure services in the UK and in doing so creates an opportunity to support patient choice through sharing relevant data. The National Certification Programme for CR (NCP_CR) is a joint initiative between the British Association for Cardiovascular Prevention and Rehabilitation (BACPR) and BHF NACR that reports on the quality of CR in the UK.

Key: ID = Insufficient data to provide statistically accurate figures for the KPI; ND = No data for the KPI

* Programmes run the Heart Manual for over 50% of patients and duration is no more than 6 weeks

** Programme certified with less than 12 months data: It was confirmed with the programme that the service was not operating due to Covid during January and/or February 2021. The NCP_CR Steering Group approved Certification in these circumstances, for this year only

*** Due to meeting all 7 standards, but having only 9 months of data, this programme is Amber with 7
